SPECIAL NOTICES.

I was suffering from an unusually back cough, my lungs were sore and congested, and I consulted one of the best physicians in Helena, whose prescriptions failed to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Acker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully recommend it.

Many of them object to it at first, but soon come to like it and are generally much benefited by it." This reminds us that the elegant Pullman sleepers on "The Burlington's" Vestibuled trains between Chicago and St. Paul and Minneapolis, are supplied with hot water from the engine, by a very ingenious device. Do not imagine, however, that this line keeps its patrons in hot water. On the contrary, no pains are spared to give travelers the very best accommodations and the most courteous treatment. It is the great line to all
